## MRS. WATSON AT HOME.

She Entertained Charming at Cards Wednesday Afternoon.

Among the many pleasant parties given this spring was the card party Wednesday afternoon at which Mrs. Frank Leslie Watson entertained a large number of married and unmarried friends. Her home on South Third street is an exceedingly pretty one and on this occasion it was the scene of an unusually pleasant affair. Mrs. Watson is one of Ocala's most charming young married women and appears at her best in her home. She was assisted by Mrs. Mallory Liddon in receiving her visitors and fruit punch was served in the hall by Miss Lena Bullock.

Progressive whist was played in the two front rooms and at the conclusion of the games, which were spirited and enjoyable, delicious strawberry cream and cake were served the heated players, which quickly cooled them off.

The young ladies' prize, a handsome cake plate, was won by Miss Sue Barco, and to the married lady making the highest score, a beautiful silver tomato fork was given. Mesdames N. M. Allred and S. T. Sistrunk tied for this lovely trophy and on cutting for it, the latter proved to be the fortunate one.

The score cards were spade shaped and were daintily ornamented with the head of a pretty girl. They were marked by Mesdames Patterson and Watson.

The following were Mrs. Watson's guests: Mesdames Mallory Liddon, S. T. Sistrunk, N. M. Allred, R. L. Anderson, Edward Hiller, Chas. Rheinauer, L. Ottensmeyer, B. N. Redding, D. W. Davis, M. C. Looney, Herbert Crook, A. E. Gerig, Lee Miller, J. Carstens, S. L. Patterson, W. S. Bullock, D. S. Woodrow, Pearl Mason, Bessie McConnell, G. S. Scott, L. R. Chazal, Raymond B. Bullock, W. V. Newsom, Jackson B. Hiers, Misses Sue Barco, Lena Bullock, Marie Bullock, Sara Harris, Violet Harris, Ethel Sinclair, Esther Weathers, Louella Gary, Florrie Crook, Valeta Potter, Johnnie Liddon, George Smith, Margaret Eagleton, Gertrude Pereda.

## GREATLY ALARMED

By a Persistent Cough, but Permanently Cured by Chamberlain's Cough Remedy.

Mr. H. P. Bortage, a student at law in Greenville, S. C., has been troubled for four or five years with a continuous cough which he says, "greatly alarmed me, causing me to fear that I was in the first stage of consumption." Mr. Bortage, having seen Chamberlain's Cough Remedy advertised, concluded to try it. Now read what he says of it: "I soon felt a remarkable change and after using two bottles of the twenty-five cent size, was permanently cured." Sold by Anti-Monopoly Drug Store.

## The Graduates Entertained.

Yesterday afternoon the members of the graduating class were again complimented with a very pretty affair, which was given by Miss Hattie Dye, one of the most popular of the High School teachers. The members of the graduating class are Misses Jessie Palmer, Pauline Sullivan, Annie Edwards, Leafy Sylvester and Oscar Koller. The others present yesterday afternoon were Miss Porter Fitzgerald, of Clearwater, Mr. W. T. Gary, who was a member of Miss Dye's graduating class, and Miss Sara Harris, a member of the class of '98.

Soon after arriving the guests were invited into the dining room. The table was very pretty, the class colors, white and gold being used. In the center of the table was a large bouquet of sun flowers. There were covers for ten and the place cards were ornamented with pen sketches of graduates clad in the cap and gown.

After the delicious supper had been eaten, each guest was given a dainty "Mother Goose" booklet, which were in white and gold. On the front cover were sketches of geese and on the back cover was the O. H. S. monogram in gold. In the booklets were ten leaves, a leaf for each one present and on these were written their favorite Mother Goose rhyme. These made exceeding pretty and unique souvenirs of a very pleasant afternoon.

Before leaving the dining room each one made an appropriate toast which were drunk with grape juice and greatly enjoyed.

Miss Dye is an ideal hostess and her party yesterday afternoon will always be a bright spot in the class of '03.

## AT THE OPERA HOUSE.

The Warren Medal Contest and a Play—Greeted by a Crowded House.

A large and enthusiastic audience greeted the contestants for the Warren Medal and the Junior Class Play at the Opera House last night.

The orchestra, consisting of Messrs. W. W. Gordon, A. E. Gerig, R. C. Alworth and Miss Gertie Peyster, rendered delightful music and Rev. J. A. Hendry offered an appropriate prayer.

Those who contested for the Warren Medal were Miss Gertie Bachelder and Messrs. Guy Zewadski, Harry Shaw and Herbert Counts.

Miss Bachelder's subject was "Man—the Architect of his own Fortune or a Creature of Circumstances?" and she handled her subject in a most creditable manner, but her voice was not strong, a misfortune and not a fault, yet it counted against her.

The young gentlemen all had the same subject—"The South"—and were all on an equal footing.

Mr. Zewadski's was a pleasing, elegant, chaste and finished production. Mr. Shaw's was broad, solid and substantial, and Mr. Counts' partook largely of the qualities of both, but was marred somewhat by imperfect gestures.

Had not the "subject matter" and the "general effect" counted twenty points more than the "diction" and "delivery," the decision of the judges would have been different, as it was, two of the three judges voted to award the medal to Mr. Harry Shaw and one favored Mr. Guy Zewadski.

Mr. Burford, in a most happy manner, awarded the medal and threw bouquets at all the contestants which entirely smoothed away the rough edges of disappointment.

## A Lesson In Health.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. For sale by the Post Office Drug Store.

Ocala High School Closing Exercises. The graduating exercises will take at the Marion opera house tonight.

The doors will be opened at 7:30 and the exercises will begin at 8 o'clock.

There will be a general admission of 15 cents for children under 12 and 25 cents for all others to cover the rent of the five organs use at the High School during the past year and all expenses of the exercises.

There is no other way of paying for these necessities, and, as the pupil and visitor both get good value for their money, we believe that no one will object to the plan.

There was left over from last year to the credit of this fund \$12.34, and the expenses as above indicated this year will be, most probably, something over a hundred dollars.

Very respectfully,  
JOSIAH VARN, Principal.

## For Those Who Live on Farms.

Dr. Bergin, Pana., Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c, 50c and \$1.00 at Anti-Monopoly Drug Store.

Mr. F. E. Harris will act as master of ceremonies, and Mr. Neil M. Allred will make the memorial address. Crosses of honor will be given to those veterans who have filed certificates of eligibility.

## Kindergarten Picnic.

Yesterday afternoon the annual picnic of the kindergarten school was held just south of town on the Oak Hurst road.

All of the pupils of the school and a large number of their young friends assembled at the kindergarten rooms and were driven to the picnic grounds in the bus and in carriages, the bus making several trips.

Between fifty and seventy-five children attended the picnic and they were chaperoned by their beloved teachers, Miss Annie Sharpe and Mrs. Carrie Long and also a good many of the parents of the children, among the number being Rev. and Mrs. Henry W. Little and Rev. and Mrs. William C. Lindsay.

Needless to say, the afternoon was one of unalloyed delight to the children. A quantity of ice cream, ice water, iced soda water and cake was taken out and the children ate to their hearts content. A sweet act on their part was the fixing of a box of cake to send to their adored "Miss Betty," whom the children will never forget.

Mr. E. C. Smith sent his graphophone out and it furnished music for the occasion. All sorts of games were played until almost dark, when the return trip home was made, the children all declaring that they had spent the happiest afternoon of their lives.

## LOOKING AHEAD

Persons in the Early Stages of Kidney Diseases Should Waste no Time in Making their Kidneys Right

If you don't stop that pain in the back, some of these days you are extremely liable to have Bright's Disease or some other form of kidney trouble. You are just as much in danger if you have dryness of the skin, headaches, restlessness, unusual appetite and great thirst, or if you notice a sediment or cloudiness in the urine or other urinary irregularities.

FOLEY'S KIDNEY CURE makes the kidneys right, and whenever there are any indications that these organs are in the least way disturbed, it should be taken promptly and regularly until all symptoms of kidney trouble have disappeared. This preparation is composed of the best known remedies employed by kidney specialists, and it cannot help but cure every form of kidney trouble if taken early. Thousands have testified to this fact. In even the most hopeless cases it will always afford relief.

Dr. Geo. Ewing, of Smith's Grove, Ky., writes: "For years I have been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I was induced to use FOLEY'S KIDNEY CURE. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles, for I can honestly state I have prescribed it in hundreds of cases with perfect success."
